2018 reflections...

Message from the Principal

Tena Koutou Katoua

As the 2018 school year comes to a close I would like to take the opportunity to reflect on the year as a Principal and as a member of a remarkable school community. We are a high

achieving school and while in the midst of our day to day efforts of continual improvement and progress; while engaged in meeting the many challenges of education in the modern context and while constantly striving to ensure we are true to the values of our school it can be easy to overlook our many accomplishments.

An example of such a community initiative and contribution to and from within our community is the now established Cluny Foundation. A trust established to assist St Mary's students reach their full potential in educational and extracurricular pursuits. This year we have assisted children with learning programmes, sporting opportunities and tuition in artistic fields. The Cluny Foundation is a great opportunity to both gift to and receive from. Should there be a need of assistance or a willingness to give please make contact with me.

This year I was in the privileged position to take time out for my own personal learning. During this time I was able to read and research widely as a part of my study focus. I was also able to visit schools and apply a critical lense across a range of learning environments. On returning to St Mary's I did the same and in doing realised how fortunate we are as a learning community to the supportive and innovative learning environments where children are at the centre of everything we do.

Much of this can be attributed to a dedicated team of teachers and the ever growing expertise of our many leaders. In returning was reminded how focused our team is on doing the best for children. Teaching practice is always guided by research and curriculum but it is the act of implementation and facilitation of the learning process that makes the real difference to learners.

It is at this point that I wish to congratulate Anna MacKinnon who was ably supported by Ayn Harris and our wider leadership team for the progress they continued to make as a leadership team during 2018. It was this progress that in turn perpetuates progress as a school, ultimately for the benefit of students and learning.

Current and future look of education is a provoking topic presently. I think we can all accept that the historical look of education and the purpose of schooling has changed. As a leader I have always understood the need to be well informed in regard to the developing research of education and learning. This year I was able to look at multiple theories of learning and all of those deemed effective, including cultural models of learning, placing learners at the centre of the process and in control of the outcomes.

I see the key aspect for creating the conditions for this to occur being the development of a learning environment that is conducive to and encourages independent learning. Learning is a disposition, an internal attitude displayed through inherent actions. It is the creation of environment, the teachers role, that determines the effectiveness of this occurring.

An example of this within St Mary's is our current and developing focus on play. Nathan Mikaere Wallis is a name we hear often in media. He connects his research with the organ that is responsible for our learning. The brain. He tells us that "The more play you have' under the age of 7, the more intelligent you will be, and there is no research that says teaching a 5 year old like a 7 year old is beneficial." Nathan Wallis

Education is about to embark on a period of rapid systemic change and I am confident that the act of remaining current as a team in regard to research, literature and legislation will ensure we are ready to accept and implement in a highly effective manner. It is therefore a shame that the Ministry of Education in an act to push back against a body of teachers who want the best possible outcome for students has put a freeze on Professional Development funding for Term 1 2019. No one wants to see continued industrial action and no one more than teachers want to see the implementation of the most effective educational structures possible.

The end of this year has brought about some change in staffing, we farewell long time staff members Liz Driver, Pip Berquist (currently on leave) and Gavin Hesqua. Liz has chosen to embark on a career in early childhood education, Pip has chosen to stay in Melbourne and Gavin has won a position at Aquinas College. As a community I ask that you join me in recognising their contribution to our school and wish them all the best for their future. We have been lucky to fill their positions with the current staff members meaning Annette Laban, Angela Cochrane and Louisa Strange will remain with us in 2019. We are also welcoming Anthony Mills to the position of Assistant Principal.

Further acknowledgement must go to our year 6 leavers who have collectively and individually completed their primary education at St Mary's. Though you leave our school, you are still very much a part of our community. The skills, attributes and abilities you possess are now the tool box for your future. St Mary's will remain a special place for you all. Please remember that the greatest connection you can maintain is with the values that have shaped your time with us.

**Tika, Aroha, Maramatanga, Whakapono
Truth, Mercy, Faith, Wisdom**

In closing for the year I would like to extend my warmest Christmas wishes and blessings for the season.

Mere Kirihimete
Nga mihi nui Kia Koutou

Ben Fuller

Board News

The end of the year always seems to race along as the school gets ready to close. No doubt you're all juggling lots of events and activities also.

As the Board winds down for the end of year as well, we acknowledge the achievements, and highlights of 2018 and thank the hard work of all those involved in making things run smoothly, raising funds for new resources and facilities, and helping our children learn and grow every day.

We congratulate our Principal, Mr Fuller, for successfully completing his Masters in Educational Leadership, and we thank Mrs MacKinnon for doing a great job taking on the Acting Principal Role during his absence. We wish her all the best for her study leave next year also. It's a real testament to both Ben and Anna that they were granted their study awards, which are basically scholarships for the term of their study award: only 105 are awarded by the Ministry of Education each year, and only 15 to Principals. Well done both of you.

We welcome our newest teachers to the staff also: Anthony Mills as Associate Principal, and Adele Mayall, and Erin Oates as permanent teachers. Unfortunately, we do have to say goodbye to two of our longstanding, wonderful, giving teachers also: Liz Driver and Gavin Hesqua. Liz, you're such a generous soul and your contributions to the students, Young Vinnies, music, Special Character and tireless efforts with all fundraising events will be greatly missed. Gavin, your skills particularly with IT, Maths, and Special Character, and your caring rapport with students and parents will also be a great loss. Good luck with your new ventures and keep in touch.

We look forward to seeing progress with Property improvements planned for over the Christmas holidays and early next year. This

includes a complete refurbishment of the toilets in the senior block, resurfacing of the tennis courts, and ground cover and insulation under the C Block buildings (the Whakapono classrooms). There will also be shade sails coming for the new sandpit area which will be perfect in the summer months of 2019.

Perhaps the most exciting new announcement from the Board this year however, is the launch of our new School Vision. The Board has worked closely with the Principal and his team, as well as gaining the community's views from our survey last year. We've also liaised with the Parish and the Cluny Sisters and are now able to share the finished statement with you.

**With God, we strive to Be our best, Be prepared for the world;
And Be true to our Catholic faith, to others and to ourselves.**

We will send out a full document sharing the guiding principles behind this early next year, but we hope you and your children will feel a connection with this, and how the school sees our students striving toward the future.

On behalf of the Board, I would like to take this opportunity to wish you all a very Merry Christmas, and a restful, enjoyable holiday season with family and friends.

A Message from the Parish Priest

Earlier this year, Pope Francis stated that "Catholic education gives soul to world" – a huge claim, of course, one that we can only aspire to realise. I am sure, however, that St Mary's Catholic School gives soul to our world here in Tauranga Moana – and much of that we are able to achieve because of the close bond between our parish and the school. It's good to recognise some of the ways this happens: weekly Mass at the school, and the Parish-School Mass each term; the dedicated parishioners who sit as Proprietor's Representatives on the Board of Trustees; the staff and parents who help with the Sacramental Programme, and the children who take part in that; priests'

involvement in liturgies such as the welcome to new students each term; Sursum Corda and Pasifika, and their contribution to parish liturgies; the staff members who are actively involved in parish life; our ability to call on one another in the difficult times; the families who are integral to the life of the parish. These are some of the significant collaborations between school and parish for which we are grateful. Of course, we can always do more – let us continue to build on these solid foundations in the coming year.

I would like to mention Anna MacKinnon's excellent leadership of the school during this past year, and I wish her well for her study

leave next year. We welcome Ben Fuller back into the leadership of school, and hope that his study during this year has been rewarding for him. To all staff, both teaching and support, thank you for your hard work for our young people.

I congratulate St Mary's Catholic School on an excellent year, and wish all staff, students and families a happy and holy Christmas and a blessed New Year.

Ngā mihi ki a koutou mo te Whānautanga o te Āriki

Farewell to Father Danny

Holy Week

Only four days to go! Here are the up and coming events and important dates for Week 10

Monday 17th	Liturgy - 9am Aroha Team Picnic - Memorial pools - 9.45 - 12.30pm
Tuesday 18th	Farewell in BAMJC for Mr Hesqua - 10.10am Be Token Assembly Students to visit new hubs - Whānau Placement letters home Year 6 Leavers Party 3-5pm
Wednesday 19th	Prizegiving - 1pm-2.30pm - Holy Trinity Anglican Church (215 Devonport Rd) Parking - Durham Street Carpark, Memorial Park Seating - parents, whānau and friends - all seated in the mezzanine please. There is a parents room for those with young children. No food or drink please.
Thursday 20th	Year 6 Leavers Assembly -11am School Finishes - 12pm

Rā Whānau Mai (Family Welcome Day)

On Monday 4th February 2019, St Mary's will open for Rā Whānau Mai (Family Welcome Day). This is a family open day and is a great opportunity for you, as parents and whānau, to share your expectations, your child's interests, strengths, and learning needs and the knowledge you value, directly with your child's teacher.

You can make an appointment to meet with your classroom teacher from 9.00am to 4.00pm. Each time slot (one per child) will be 10 minutes long and can be booked by going to www.schoolinterviews.co.nz. The code for booking will be in the classroom placement letter due to you on Tuesday 18th December. School is closed for instruction on the day but you are welcome to stay and enjoy a free coffee and sausage sizzle with your child before taking your child home again.

2018 Special Character Reflection

Once again we have had a fantastic year with highlights which have enhanced our school's Catholic Character. We continued to build our special celebrations in Liturgy and Masses. This year we included a very moving liturgy to commemorate Parihaka. The Mass to celebrate the Korean Martyrs was very special time.

This year we had forty nine students make their First Reconciliation, Confirmation and Eucharist. Some of the students were fortunate to have their First Reconciliation and Confirmation in our Cluny Chapel. Two students were baptised in the Chapel and a further 8 students were baptised this year.

Our Cluny links were further strengthened by a visit from the new Provincial leader- Sister Shirley Anne. She was accompanied by two Cluny Sisters from French Polynesia. Sr Marie Joseph Ikai, Vice Provincial Leader and Sister Lilianne Neff, Provincial Secretary.

The year's focus on Service has been very successful with students learning how they can serve others everyday and what it is to be a servant leader.

Once again our school community have been extremely generous in fundraising for Caritas, Cluny projects, supporting Mataita school and St Vincent de Paul. For this we are very thankful and have received emails and letters of thanks from these benefactors.

We are thankful to Father Mark, Father Danny, Father Jolliffe, Father Rico and Father Gerard who have all helped us to celebrate the many Masses and liturgies over the year.

May the peace of God be with your family this Christmas.
Kia mau te rongo o te Atua ki to whanau ki tenei Kirimete.

God Bless, Teresa Rush

Cluny
Foundation
Charitable
Trust

The Cluny Foundation is a Charitable Trust established to assist and advance students and other members of the St Mary's Catholic community in Tauranga. Current trustees include Mrs Kelly Quin, Mrs Sally Washer and Mr Ben Fuller.

Specifically, the purpose of the Trust is to assist students who are in need of assistance to enable participation in educational and extracurricular activities.

Key functions of the trust are to assist;

1. Students who are in need of essential items necessary for school life
2. Students to participate in the extracurricular activities
3. All members of the St Mary's School community to fulfill our mission statement

This year the trust aims to provide assistance to as many students as possible with reference to the above objectives of the trust. Examples may include assistance with;

- Cultural and sporting enrolment and tuition fees
- The purchasing of essential equipment for cultural or sporting pursuit
- Access to or the provision of specialist personnel or support

Trust Guidelines

The below guidelines will help you determine if you are eligible to apply for funding.

1. The funded activity must directly benefit a current or current members of our St Mary's school community.
2. Application for funding must be for a specifically stated activity and / or related expense.
3. The funded activity should be able to demonstrate a measurable outcome or specific benefit to the student or students involved.

Application Process

Trustees will meet in week 9 of each term to determine funding allocations for the following or consecutive terms. Applications will be invited in week six of each term and are required to be submitted prior to the time trustees meet.

Contact Details and Assistance

If you have any questions regarding the application criteria and / or guidelines and criteria please do not hesitate to make contact with Ben Fuller.

bfuller@stmarystga.school.nz

As trustees we are excited to be finding ways to assist and grow members of our community to reach their full potential.

From the PTA

It has been my absolute pleasure to be part of such a hardworking group of parents in 2018 and I would like to personally thank all our PTA members and Friends of the PTA, without your continued help and support our planned events and fundraising efforts would not be possible.

In 2018 we continued to successfully raise funds for our school with holding sausage sizzles, Math-a-thon, Disco's, Quiz Night and the infamous St Marys Fireworks.

I must extend a huge thank you to all of the fireworks committee for their tireless work! It was a spectacular event which brings our school and community closer together.

Each event is organised and run by our PTA and parent community and we are extremely proud of the funds we have raised for the school this year. The Fireworks event is a joint effort from School staff, Board of Trustees, PTA and our parents and students. It takes an incredible amount of time, resources and energy to make this a huge success! A special and humble thank you to Taylor Brothers for ultimately being our major sponsor, their generosity and amazing support have been greatly appreciated over the years.

Pastoral care continues to be a focus for our PTA group, we have had several cook offs over the last year to provide healthy and nutritious meals for the freezer that are available for our families who need them, no questions asked. Our friendly ladies also help organise the Lost Property clean up, serve cuppas at the New Families Liturgies and are generally on hand if needed by our community.

Our continued success would not be possible without the support from the Board of Trustees, Mr Ben Fuller, Mrs Anna MacKinnon and our Teacher Representative Jo Meehan who is vital for communication with staff. I would also like to thank Mrs Theresa Dunstan and Mrs Karen Mulhern, at the heart of our school, they are always incredibly supportive and happy to help, and we could not be a success without both these wonderful ladies. I would also like to personally thank Courtaney Thompson and Tracey Phizacklea, they have been amazing to work alongside in their secretary and treasurer roles, I have truly appreciated their epic support & commitment this year!

Every year we sadly say farewell to some valuable PTA members as their children finish their primary school years or they move on to new ventures. Our PTA would like to acknowledge and thank Laura Grace and Kelley Greer for all they have contributed to St Mary's. They have both been hardworking committee members for many years and we will miss them on our team!

On behalf of the PTA I would like to wish you a safe and happy holiday season. See you in 2019 for another successful fundraising year and lots of fun and forming new friendships!

God Bless

Ana McFarlane, PTA Chairperson

PTA Treasurers Report

The PTA contributed towards/donated over \$48,350 to the school during the last year. We'd like to share with you how our fundraising was utilised for the benefit of all our children in 2018:

Pastoral Care \$1,040
Couch for Library \$1,000
Sandpit \$3,500
Contribution towards Commercial Dishwasher \$2,300
Class Contribution \$1,100
Defibrillator and CPR Feedback \$3,000

Projects to be purchased and completed over the summer break:
Contribution towards new Tiger Turf resurfacing \$26,000
New mobile netball and basketball hoops and tennis nets for courts \$3,340
Resurfacing the cricket pitch \$2,500
Shade Sails for the Sandpit \$4,570

Senior Sports Award Winners

Sports Coordinator

As another year draws to a close it is great to reflect on another stellar sporting year at St Mary's. With a total of 58 St Mary's teams competing across 14 different sports. A great presence for St Mary's in all the competitions we compete in.

From a team perspective the schools best results was the St Mary's Titans team of Ethan Ryan, Briar Grace, Henry Fulton, Nathan Holmberg, Ariana Workman, Grace Gundry, Lenny Gilbert and Luke Tustin (Coached by Lance Workman) winning the top A1 grade in Tauranga Hockey competition.

From an individual perspective we had two outstanding competitors. Holly Fausett finished 2nd at the Western Bay of Plenty Athletics Championship as well as 1st at the Bay of Plenty Cross Country Championships, and Eva Jeffries who finished first for Year 5 Girls at the Western Bay of Plenty Cross Country Championships. Both Eva and Holly are representing the North Island (top 20) girls in the North Island for their age) at the Trans Tasman Athletics Championships.

Congratulations to all our Sports Cup Winners this year:

Yeva Parshikova Year 5 Girls Swimming Champion

Ariana Workman Year 6 Girls Swimming Champion

Austin Roper Year 5 Boys Swimming Champion

Will Quin Year 6 Boys Swimming Champion

Boys Cross Country Champion **Reef Joseph**

Girls Cross Country and Athletics Champion **Holly Fausett**

Boys Athletics Champion and Cricket Player of the Year **Luka Mahy**

Basketball Player of the Year **Finn Curragh**

Girls Gymnast of the Year **Liae Yang**

Hockey Player of the Year **Nathan Holmberg**

Netball Player of the Year **Emma Rogers**

Water Polo Player of the Year **Will Quin**

Touch Rugby Player of the Year **Pateriki Paaka**

On behalf of all our students, I would like to say a huge thank you to all our parents who have volunteered at events and given their time each week managing and coaching our sports teams. We are extremely grateful for all your help in ensuring our events run smoothly and our teams have fun each week.

I hope you all have a fantastic Christmas and a very Happy New Year. I look forward to seeing all returning students for a fun filled and exciting 2019.
