

The background of the entire image is a soft-focus photograph of green foliage. In the center, there is a large, light green flower with several petals, possibly a ginkgo flower, which is slightly out of focus. The leaves are various shades of green, from bright to deep, and are scattered throughout the frame, creating a natural and serene atmosphere.

New Families Liturgy
10am Tuesday 26th February 2019
Blessed Anne Marie Javouhey Centre

We would like to invite your family to attend the New Families Liturgy.

Morning tea will follow, please stay and meet our other new families.
