

PHOTO, VIDEO AND EXAMPLES OF SCHOOL WORK

I/we give permission for my child's images (photographs, video clips, etc), and examples of their school work, to be published in our newsletters, on our school website, our school Facebook page, and other online channels such as the school/class blogs, school app, etc. Images of students and/or their work are published to recognise student achievement, report on learning to the school and wider community, and for promotional purposes.
